

Questions for Deeper Reflection

In The Beginning...

SEPTEMBER 2020

1. What are 1 or 2 things from Fr. Robert's talk that touched my heart? Ponder these and ask the Lord what is the opportunity He is presenting, to grow in my relationship with Him.
2. As God speaks and acts in Genesis, greater order and beauty happen. This is true for my life as well. The more God's Word permeates my life, the more beauty and order my life has. What is my plan for spending time in His Word, this year, through the mini-retreats? (Remember: 'fail to plan' means plan to fail.)
3. The enemy of our soul was so subtle in speaking lies to Eve in the beginning. This is still the case, today. What is an area in my own life where I am listening, not to God's voice but, to the voice of the enemy? How will I let God set me free from the lies I am believing?
