

## Questions for Deeper Reflection

### A Kingdom Divided

FEBRUARY 2021

1. During this time of the 'Divided Kingdom', most of the great prophets lived and taught. Prophets are countercultural. Prophets are called to be heralds of Truth in the world. How is God calling me to be His prophet today?

2. We learn in our readings this month that for God's chosen nation, things seem ruined. Yet, God's plans are NOT ruined....ever! What challenge do I face today, that I need this reminder that God is always in control?

3. The first, greatest and most practical commandment is:

***"You shall love the Lord your God  
with all your heart...soul ...and might"(Deut 6:5).***

Neither nations, like Israel, nor individuals, can escape the moral and spiritual order established by God. What in my own life needs re-ordering, to get 'back online' with God?
