

## Questions for Deeper Reflection

# Exile & Return

MARCH 2021

1. Just as the small remnant of God's people, now called Jews, return home to Jerusalem, they struggled to 'fit in' with those not worshiping the one, true God. In my own life, how is God calling me to 'stand out', and not to 'fit in'?
2. The trek back to Jerusalem was a difficult 900 mile journey. Some of God's people chose to stay in Babylon, to prefer comfort over freedom. Is there a place in my life where I am choosing comfort, not freedom?
3. Time and time again, God asks His people to trust Him, even in very difficult circumstances. Where in my own life do I need this reminder to trust, when we often do not see what God is accomplishing during our lifetime?
