

Questions for Deeper Reflection

God's Covenant Family

OCTOBER 2020

1. In the Book of Exodus this month, we read that God's people tire of the desert experience, make 'golden calves' and begin to worship false idols. What are the false idols in my life today, that are stealing my peace and distracting my attention from the Lord?
2. The books of Genesis and Exodus include many stories of family feuds, favoritism and forgiveness, but God is always calling us to FREEDOM: Freedom FOR a relationship with Him. This past month, how was my relationship with the Lord?
3. Just as Israel was chosen not for themselves but to draw all nations to God, so it is with each of us, chosen in Baptism, to bring others to God. How am I doing? Where do I need to grow?
