

## **Men's Evening of Reflection**

December 2, 2020

### **Questionnaire**

1. Who is Jesus Christ for me – a mere historic figure who was born in a manger 2000 years ago or the intimate friend of my soul, who desires a deeper relationship with me this Christmas?
2. What type of junk is holding me back from deepening my relationship with Christ? What would it look like for me to open my heart to the Lord and offer that up to him?
3. How would I describe God's presence in my life right now?
4. What means have I chosen to prepare for Jesus coming to my family this Christmas?
